STICKY NOTES TEMPLATE

Affix 3" x 3" sticky notes and then send this sheet through the printer again.

Note: Print this page onto a template sheet with sticky notes affixed. Be sure to that the template sheet is placed in the paper feed tray so that the printing will appear on the correct side -- that is, onto the sticky notes. For most printers, this means placing the templates face-down with the top edge of the sheet away from you.
